Autumn Leaves XXXIX 2024 Covid and communicable disease information

We know there is no 100% assurance of safety from Covid or other disease transmission at our gathering. We want you to have fun and for all of us to be as safe as possible! In that spirit, we offer the following suggestions.

- Though not required, vaccinations with boosters for Covid are encouraged.
- Development of a communicable illness or Covid symptoms (sore throat, nasal congestion, cough, fever, etc.), or a positive Covid test just before or during the Autumn Leaves workshop is reason to stay home.
- A refund of registration fees will be available for anyone unable to attend because they developed an illness, Covid or tested positive just before or during the workshop.
- Masking is encouraged for immunocompromised dancers.
- Snacks will be provided. You are, however, welcome to bring your own snacks. For avoiding single-use plastics, we ask that everyone bring their own containers for water and drinks.
